**DECLARATION OF KIM HRYHORCHUK
IN SUPPORT OF MOTION OF THE KROGER CO. FOR AN ORDER MODIFYING
THE AUTOMATIC STAY PURSUANT TO 11 U.S.C. §§ 105(A) AND 362(D) TO
PERMIT THE KROGER CO. TO REMOVE AND DISPOSE OF KIOSKS**

I, Kim Hryhorchuk, submit this Declaration pursuant to 28 U.S.C. § 1746, and declare as follows to the best of my knowledge, information, and belief:

1. I am the Director of Retail Operations for The Kroger Co. (“Kroger”). Among my duties and responsibilities as Director of Retail Operations for Kroger, I am responsible for overseeing and maintaining operations for Kroger and affiliate locations nationwide, including maintaining the business relationship with Redbox Automated Retail, LLC (“Redbox”).
 2. I am authorized to submit this Declaration on behalf of Kroger and in support of its *Motion for an Order Modifying the Automatic Stay Pursuant to 11 U.S.C. §§ 105(a) and 362(d) to Permit the Kroger Co. to Remove and Dispose of Kiosks* (the “Motion”).²

¹ The Debtors in these chapter 7 cases, along with the last four digits of each Debtor's federal tax identification number (where applicable), are: 757 Film Acquisition LLC (4300); Chicken Soup for the Soul Entertainment Inc. The Debtors' corporate headquarters and service address is 132 East Putnam Avenue, Floor 2W, Cos Cob, CT 06807.

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Motion.

3. All facts set forth in this Declaration are based upon my personal knowledge and review of relevant documents maintained by Kroger in the ordinary course of business. If called to testify as a witness in this matter, I would testify competently to the facts set forth herein.

4. On April 1, 2015, Kroger and Redbox entered into the Master Kiosk Agreement (as subsequently amended and/or supplemented, the “Master Agreement”), pursuant to which Redbox placed and operated approximately two thousand DVD rental kiosks (the “Kiosks”) at Kroger retail and affiliate locations. A true and correct copy of the Master Agreement is attached hereto as Exhibit 1.

5. Under the Master Agreement, Redbox agreed to pay Kroger a percentage of monthly kiosk rental revenue in exchange for operating the Kiosks at Kroger locations.

6. Redbox has failed to remit payment to Kroger as required under the Master Agreement since November 2022.

7. Redbox owes Kroger not less than \$879,423.51 in revenue generated by the Kiosks. An itemization of the amounts due and owing to Kroger under the Master Agreement is attached as Exhibit 2.

8. The Master Agreement automatically renews for successive three-month terms unless either Kroger or Redbox provides 30 days’ written notice prior to the expiration of the term.

9. The Master Agreement specifically provides that parties may terminate for material breaches thereunder upon 30 days’ written notice of such breach and the failure of the breaching party to cure the default.

10. On October 17, 2023, Kroger issued that certain Notice of Default to Redbox, highlighting Redbox’s failure to remit payment as required under the Master Agreement as well

as operational issues with certain of the Kiosks, which impacted Kroger's use of its premises and impacted the goodwill of its customers.

11. On November 23, 2023, Kroger properly issued that certain Notice of Termination, properly terminating the Master Agreement following Redbox's failure to cure its breach, inter alia, by paying the amounts due and owing under the Master Agreement. In the Notice of Termination, Kroger reiterated Redbox's obligation to remove all Kiosks from Kroger locations in a timely manner, and that if Redbox failed to comply with this obligation that Kroger would remove and store the Kiosks and require Redbox to retrieve the equipment.

12. The Master Agreement provides that Redbox is obligated to remove the Kiosks from Kroger's premises upon termination of the Master Agreement or relevant kiosk order and further requires that Redbox promptly surrender the kiosk space to Kroger and coordinate the removal of the Kiosks.

13. Kroger's attempts to coordinate removal of the Kiosks following the Notice of Termination went unanswered and Kroger has continued to store certain Kiosks at its own expense while Redbox skirts its obligation to retrieve the Kiosks from the premises.

14. Kroger began to remove and/or store certain of the Kiosks prior to Redbox's bankruptcy filing, but approximately 1,400 of the Kiosks remain on Kroger and its affiliates' premises. A schedule of the remaining Kiosks is attached hereto as Exhibit 3.

15. The continued existence of the Kiosks on Kroger's property disrupts its use and enjoyment of the premises and interferes with any and all plans to remodel the surrounding space. I declare under penalty of perjury that the foregoing statements made by me are true and correct to the best of my knowledge, information, and belief.

Final

Master Kiosk Installation Agreement

This Master Kiosk Installation Agreement ("Master Agreement") is made as of April 1, 2015 ("Effective Date") by and between Outerwall Inc., a Delaware corporation ("Outerwall"), and The Kroger Co., an Ohio corporation ("Kroger").

Recitals

- A. Outerwall is in the business of producing, installing and operating various types of kiosks for use in retail stores.
- B. Outerwall currently operates various types of kiosks in certain retail stores owned or operated by Kroger.
- C. Kroger and Outerwall desire to enter into this Master Agreement in order to support the future installation and operation of kiosks in certain Kroger locations.

Agreement

Outerwall and Kroger agree as follows:

1. Definitions. Capitalized terms used in this Master Agreement and not otherwise defined will have the meanings given to them in this Section 1.

"Affiliate(s)" means, with respect to either party, any business entity organized under the laws of a U.S. state that is controlled by, controlling, or under common control with another entity, with "control" meaning direct or indirect beneficial ownership of more than fifty percent (50%) of the voting stock of such entity.

"Confidential Information" means the terms and conditions of this Master Agreement and any confidential or proprietary information of the disclosing party that is marked as "confidential" or similar or that, under the circumstances surrounding disclosure, should reasonably be understood to be confidential, whether of a technical, business or other nature (including, but not necessarily limited to: trade secrets, know-how, technology and information relating to the customers, business plans, promotional and marketing activities, pricing, finances and other business affairs of such party). Confidential Information of Outerwall includes, without limitation, any information regarding Outerwall's product development efforts, any information regarding the volume of coins, currency gift or payment cards, rental transactions, rental history or other transactions processed by a Kiosk and all other data or information collected, generated or otherwise acquired by a Kiosk. Confidential Information of Kroger includes, without limitation, any information regarding Kroger's systems, store traffic, security protocols, customer loyalty information, projections, and forecasts. Confidential Information does not include any information that (a) is lawfully known to the receiving party prior to disclosure by the disclosing party without any obligation of confidentiality as evidenced by presently existing documents, (b) is rightfully received by the receiving party from a third party having the right to disclose the information without breaching an obligation to the disclosing party, (c) becomes known to the public generally through no wrongful act by the receiving party, or (d) was independently developed by or for the receiving party without use of the Confidential Information from the disclosing party.

"Intellectual Property Right(s)" means all patents, copyrights, trade secrets, trademarks, and other proprietary rights of any kind.

"Kiosk" means a self-service automated vending machine identified as a "Kiosk" in a Kiosk Order to be furnished by Outerwall or one of its Affiliates under a Kiosk Order.

"Kiosk Order" means a written order signed by the parties in accordance with Section 2 for the installation and operation of Kiosks in Stores that is subject to the terms and conditions of this Master Agreement.

"Kiosk Order Term" means the period set forth in a Kiosk Order during which Kiosks will be installed and operated at Stores pursuant to such Kiosk Order.

"Kiosk Space(s)" means the area of space outside or within any Store that has been allocated by the processes set forth herein or in any Kiosk Order for the installation, maintenance, and operation of a Kiosk.

"Kroger Marks" means the trademarks, service marks, trade names, logos or other identifiers of Kroger or its Affiliates furnished by Kroger or its Affiliates under any Kiosk Order.

"Outerwall Marks" means the trademarks, service marks, trade names, logos, or other identifiers of Outerwall or its Affiliates furnished by Outerwall or its Affiliates under a Kiosk Order.

"Pilot Kiosk Order" means a Kiosk Order under which Kroger agrees to test a certain self-service Kiosk for a limited period of time in exchange for payment of a fee by Outerwall. Each Pilot Kiosk Order will be subject to the terms and conditions of this Master Agreement and substantially in the form of Exhibit C.

"Store" "Store(s)" means individual retail store locations owned or operated by Kroger or an Affiliate of Kroger in the United States into which Kiosks are, or will be, installed and that are designated by the parties in a Kiosk Order, Pilot Kiosk Order, or in any supplemental agreement signed by the parties.

"Term" has the meaning given to it in Section 10.1.

"Underperforming" has the meaning provided in the applicable Kiosk Order or Pilot Kiosk Order.

2. Kiosk Orders; Scope.

2.1. Kiosk Orders; General. From time to time during the Term of this Master Agreement the parties may enter into one or more Kiosk Orders. Kiosk Orders may be for the full-scale roll out of Kiosks, or for limited pilots. Except for Pilot Kiosk Orders subject to 2.2.1 through 2.2.3, each Kiosk Order will include a description of the specific Kiosks to be provided, the Stores at which the identified Kiosks will be installed, the applicable payment terms and such other terms as may be agreed upon by the parties. Kiosk Orders for full-scale roll outs will be substantially in the form set forth on Exhibit A. When signed by the parties, each Kiosk Order (including all Pilot Kiosk Orders) will be subject to this Master Agreement.

2.2 Pilot Kiosk Orders

2.2.1 Pilot Kiosk Order Proposals. Outerwall may submit proposals for Pilot Kiosk Orders to Kroger for review. Any such proposals shall be submitted to Kroger's corporate business owners and not to Kroger divisions. Each proposal shall contain at least the following information: (a) proof of concept; (b) proposed commission structure for the pilot term; (c) Kiosk design and technical specification sheets; (d) proposed number of Kiosks; (e) proposed number of Stores; (f) any logistical and/or technical requirements (e.g., electric requirements, cellular communication plans, etc.), (g) proposed roll-out plan, including any proposed promotional activities; (h) any proposed metrics to determine the relative success of the pilot; (i) any reporting requirements; and (j) any proposed exclusivity should the parties decide to move forward with a new Kiosk Order.

2.2.2 Final Form of Pilot Kiosk Order. If the parties agree to move forward with a Pilot Kiosk Order, the parties will execute a Pilot Kiosk Order substantially in the form as Exhibit C attached hereto. Unless otherwise agreed by the parties, each Pilot Kiosk Order will contain, at a minimum, the terms set forth in Exhibit C. In addition, each Pilot Kiosk Order will set forth the terms that will govern an orderly wind down of the Kiosks in the event that a Pilot Kiosk Order is terminated or expires. Any termination fees that apply to a Pilot Kiosk Order shall be set forth in the applicable Pilot Kiosk Order.

2.2.3 Pilot Kiosk Order Termination. If Outerwall elects to terminate business operations related to the operation of Kiosks offered under a Pilot Kiosk Order (e.g., terminating the program, etc.), and determines to make a sale of all or substantially all of the assets related to that Kiosk program then, subject to confidentiality obligations, contractual restrictions and applicable law, Outerwall will notify Kroger of its intent to terminate the program as soon as reasonably practicable after a decision has been made to sell the Kiosks and will use reasonable efforts to consider Kroger in discussions regarding the potential sale. For the avoidance of doubt, unless otherwise agreed by the parties: (a) nothing in this section requires Outerwall to sell any Kiosks or other assets; (b) either party may terminate any discussions under this section at any time; and (c) nothing in this section grants exclusivity to Kroger with regard to a potential transaction.

2.2.4 New Kiosk Order Based on Pilot. Prior to the expiration of the Pilot Kiosk Order, the parties will meet to review all aspects of the pilot. If the parties agree to convert the pilot into a Kiosk Order, then Outerwall and Kroger agree to work in good faith to agree upon a reasonable fee structure for the Kiosk Order.

2.3 Applicability; Affiliates. This Master Agreement applies to all Kiosks subject to a Kiosk Order or Pilot Kiosk Order pursuant to which this Master Agreement has been explicitly adopted and any terms in such Kiosk Order are incorporated herein by this reference. During the Term, Outerwall or any Affiliate of Outerwall may (each in their sole discretion) agree to enter into one or more Kiosk Orders with Kroger or an Affiliate (as designated by Kroger in its sole discretion) of Kroger, and with respect to any such Kiosk Order: (a) any such Outerwall Affiliate adopts this Master Agreement, and all references to Outerwall in this Master Agreement are deemed to be references to such Outerwall Affiliate for purposes of such Kiosk Order; and (b) any such Kroger Affiliate adopts this Master Agreement, and all references to Kroger in this Master Agreement are deemed to be references to such Kroger Affiliate for purposes of such Kiosk Order. For the avoidance of doubt, this Master Agreement will not apply to any Stores outside the United States or to any Kiosk to be furnished outside the United States.

2.4. Amendments. Except as otherwise provided in any applicable Kiosk Order or the applicable amendment, if this Master Agreement is amended by the parties as provided for herein, it will, subject to Section 10.5, be deemed to have been amended in the same manner with respect to any outstanding and any future Kiosk Orders.

2.5. Order of Precedence. In the event of a conflict between this Master Agreement and any Kiosk Order, the terms of the Kiosk Order will take precedence over this Master Agreement.

3. Authorization; No Exclusivity, Site Preparation and Installation.

3.1. Authorization; No Exclusivity. Kroger grants to Outerwall a right to install and operate Kiosks at Stores throughout the Term. Unless otherwise expressly set forth in an applicable Kiosk Order, Kroger does not grant to Outerwall any exclusive rights to install and operate Kiosks at Stores.

3.2. Stores. For each Kiosk Order, the parties will agree in writing upon the Stores at which Kiosks will be installed under such Kiosk Order. Once agreed upon, the list will be attached to the applicable Kiosk Order. Outerwall and Kroger may revise the list of Store locations at any time by agreeing in writing to a revised Store list. Without limiting the generality of the foregoing, either Kroger or Outerwall may request approval of the other for the removal of any Store from this Master Agreement and the Kiosk Order if a Kiosk has repeatedly been damaged, vandalized or burglarized, or if there are repeated failures to meet agreed upon service requirements with respect to a particular Kiosk. The other party's approval of this request will not be unreasonably withheld, conditioned or delayed.

3.3. Kiosk Spaces. Kroger shall provide space for each Kiosk installed at a Store that is convenient to Kroger and which, in the mutual judgment of Kroger and Outerwall, will facilitate optimal ongoing use of each Kiosk by customers. Part of the determination may be based on store traffic analysis that is completed by Kroger. Once a site has been agreed upon, it is a Kiosk Space, and before the scheduled date of any Kiosk installation, Kroger shall prepare the Kiosk Space for Kiosk installation. Without limiting the generality of the foregoing, Kroger shall: (a) ensure at all times during the Term that there is a clear path to the Kiosk Space and remove all structures, machinery and other impediments to the Kiosk Space; and (b)

reasonably cooperate with Outerwall for Outerwall's procurement of any required permits, licenses or other government authorizations to install and operate the Kiosks in Stores.

3.4. Power. On or before the date of each installation and thereafter throughout the period each Kiosk is installed at a Store, Kroger, at its cost, shall provide for each Kiosk a dedicated 110-volt, 20 amp power circuit and outlet connected to the Store's power supply, and Kroger shall be responsible for the expense of power to operate the Kiosks (unless otherwise provided in a Kiosk Order). Notwithstanding the foregoing, and subject to Section 3.7, if the power circuit and outlet for the agreed upon Kiosk Space are not existing as of the date of installation, and the parties are unable to agree upon an alternative Kiosk Space in the Store, Outerwall will bear the cost of installing any new electrical outlet reasonably required for the Kiosk. Subject to 3.7, Kroger shall use best efforts to ensure that Store personnel do not disconnect any Kiosk from any power connection or place any Kiosk on an electrical circuit with an on/off timer.

3.5. Connectivity. When required for a Kiosk installed at a Store as of the Effective Date of this Master Agreement, Outerwall may use, at no cost or expense, a Store's existing shared telephone line. Where an existing shared telephone line is not already in place, not available, not required or, in the reasonable judgment of the parties, impracticable, then, Outerwall will, at its sole cost and expense, install and maintain at its cost and expense any communication or data lines (which may include cellular or other wireless network connections) reasonably required for the operation of the Kiosk. Notwithstanding the foregoing, unless otherwise agreed in the applicable Kiosk Order, Outerwall shall use commercially reasonable efforts to use cellular or other wireless connectivity solutions for all Kiosks, at Outerwall's sole cost and expense; provided, however, that the foregoing requirement will not apply to Coinstar-branded Kiosks. Subject to 3.7, Kroger shall use best efforts to ensure that Store personnel do not disconnect any communications connection for any Kiosk.

3.6. Kiosk Installation. Subject to Kroger's performance of its obligations under Sections 3.2 - 3.5 and 4.1(b), Outerwall shall install Kiosks at the agreed upon Kiosk Space in each Store. All installations will be performed in accordance with a schedule reasonably agreed upon by the parties. For the avoidance of doubt, Outerwall may secure any Kiosk installed outside to the concrete sidewalk, subject in each case to the prior written approval of Kroger. It is understood and agreed that this Master Agreement is not intended, nor shall it be deemed, to create an interest in real estate. Rather, it constitutes a limited right for Outerwall to enter the Stores and use a portion thereof to operate the Kiosks. If any portion of any Stores is condemned by a government authority exercising its right of eminent domain, Outerwall shall have no claim to any award in such proceeding or any settlement agreed upon in lieu of condemnation.

3.7. Temporary Suspension. Once a Kiosk has been installed in an agreed-upon Kiosk Space, in no event will Kroger permit any Kroger employee, agent or subcontractor to disconnect, move or relocate the Kiosk without the prior written consent of Outerwall, which consent Outerwall will not unreasonably withhold or delay. Notwithstanding the foregoing, Kroger may temporarily disconnect a Kiosk in order to avoid an imminent emergency, material operational disruption, or upon receipt of a formal request from a government or law enforcement official; provided Kroger gives Outerwall prompt notice. In addition, if Kroger reasonably determines that content sold through Kiosks installed in Stores is creating a negative material impact on Kroger's public reputation (e.g., organized boycotts, etc.), Kroger will promptly notify Outerwall. If Outerwall fails to remove the offending content within 48 hours of its receipt of Kroger's notice, Kroger may disconnect the Kiosks offering the content until the content is removed or the parties agree upon an alternative resolution. Kroger will immediately reconnect the Kiosks following resolution.

3.8. Kiosk Relocation. As between the parties, if Kroger requests a relocation of a Kiosk, then: (a) Outerwall shall be responsible for any costs associated with the move of the Kiosk itself, in addition to restoration of the applicable Kiosk Space, less normal wear and tear; and (b) Kroger's costs shall be limited to the relocation of necessary electrical and data lines. As between the parties, if Outerwall requests a relocation of a Kiosk, then Outerwall shall be responsible for any costs associated with the move of the Kiosk itself, including the costs of relocation of necessary electrical and data lines, in addition to restoration of the applicable Kiosk Space, less normal wear and tear. Any additional terms applicable to the movement of Kiosks not set forth in this section or Section 3.11, including terms governing the movement of Kiosks from inside to outside, will be set forth in the applicable Kiosk Order.

3.9. Training. Outerwall will provide training in the operation of a Kiosk to Kroger's designated personnel in accordance with the terms of any Kiosk Order.

3.10. No Encumbrances. Kroger will not encumber or allow any Kiosk to become encumbered by, or otherwise allow any liens, pledges, claims, mortgages or other encumbrances to attach to, any Kiosk or any of the contents therein.

3.11. Remodels and Rebuilds. From time to time during the Term, Kroger may remodel one or more Stores. Should any such Store continue operations during any such remodel, Kroger will use commercially reasonable efforts to accommodate the continued operation of any Kiosks installed in such Store during the remodel. If a Store is closed during any such remodel, or Outerwall reasonably determines that the remodeling may present a risk of damage to the Kiosk, Outerwall may remove the affected Kiosk from the Store or suspend service at the affected Kiosk during the period the Store is closed or under remodel, as the case may be. If Kroger and Outerwall mutually agree on the date by which any removed or suspended Kiosks will be reinstalled or service reactivated after the particular Store opens or remodel concludes, Outerwall will bear the cost of reinstallation and/or reactivation, including responsibility for any costs associated with the Kiosk itself, and Kroger's costs are limited to the relocation of necessary electrical and data lines.

4. Operations.

4.1. Access. During Kroger's normal business hours, Kroger shall: (a) ensure customers and potential customers have unrestricted access to each Kiosk; and (b) allow Outerwall's personnel access to each Kiosk to perform the installation, maintenance, repair and other obligations under this Master Agreement. Outerwall shall use reasonable efforts provide Kroger reasonable advance notice when Outerwall personnel will be at Kroger's Store for repair obligations (excluding routine merchandising and routine maintenance).

4.2. Site Upkeep. Kroger shall maintain the area immediately surrounding each Kiosk in a safe and clean condition, so as to provide a safe and attractive environment for customers. Without limiting the generality of the foregoing, Kroger shall: (a) in Kroger's discretion, allow Outerwall to post all signs, notices and disclosures for each Kiosk; (b) use commercially reasonable efforts to prevent damage to each Kiosk; and (c) not obscure the visibility of any Kiosk or Outerwall-provided signage posted in accordance with this Section, or, subject to the conditions set forth in Section 3.7 applicable to disconnecting a Kiosk (e.g., imminent emergency, material operational disruption, etc.), place any signage on a Kiosk without Outerwall's prior written approval. Notwithstanding the foregoing, if Kroger removes any Outerwall-posted signs, notices or disclosures that are legally required, Outerwall may remove the affected Kiosk or deactivate the affected service on such Kiosk.

4.3. Kiosk Maintenance. Outerwall will, at its cost and expense, use commercially reasonable efforts to maintain all Kiosks in good working order and make them available to customers for use during normal Store hours, except as may be prohibited by law or other restriction, or as otherwise provided in a Kiosk Order. Outerwall will provide regular maintenance and, when providing maintenance, keep the Kiosk Space clean, orderly and free of hazards. Maintenance services will be performed, to the extent possible, at such times and in such manner as to minimize downtime of the Kiosk and inconvenience to the Store and customers.

4.4. Repairs. Outerwall shall monitor all Kiosks for issues that may require maintenance or repair. If Kroger observes or is informed that a Kiosk is not in good working order, then Kroger will use reasonable efforts to promptly notify Outerwall in accordance with the procedures set forth in each Kiosk Order as soon as possible after observing or otherwise being informed that a Kiosk installed at a Store is not in good working order. Outerwall will promptly respond to such notifications in accordance with the maintenance and service provisions in the applicable Kiosk Order by providing telephone support and troubleshooting, dispatching personnel and/or replacing the Kiosk, each as determined by Outerwall in its reasonable discretion, in order to promptly restore each Kiosk to good working order.

4.5. Kiosk Substitutions. Any processes for Kiosk substitutions will be addressed in accordance with the terms of the applicable Kiosk Order.

4.6. Underperforming Kiosks. Any terms and conditions regarding Outerwall's ability to remove any Kiosk that is Underperforming, as defined in the applicable Kiosk Order, shall be set forth in the applicable Kiosk Order.

4.7. Compliance with Applicable Law. In the performance of its obligations under this Master Agreement, each party will comply with all applicable local, state and federal laws, ordinances, regulations and orders. For the sake of clarification and not a limitation, Outerwall shall be responsible for: (a) compliance with all applicable zoning laws and other laws or ordinances which might affect installation or operation of a Kiosk; (b) applying for any licenses or other permits necessary to conduct Kiosk operations at a Store; (c) compliance with all applicable laws and regulations regarding data privacy and data security; and (d) ensuring that the design and operation of each Kiosk complies with the Americans with Disabilities Act of 1990, as amended ("ADA"). For avoidance of doubt, the mere filing of a government enforcement action or Claim alleging a violation will not constitute a breach of this section 4.7. If a court or government agency of competent jurisdiction makes a determination that Kiosks installed in Stores fail to comply with the ADA, and Outerwall fails to implement the relief, if any, ordered by the court or agency in the specified time frame, then in addition to, and not in lieu of, its indemnification rights set forth in Section 9, at Kroger's option: (x) Kroger may provide notice to Outerwall and afford Outerwall a period of ninety (90) days to comply (or sooner, if required by a court or agency order); or (y) Kroger may provide notice to Outerwall to terminate all applicable Kiosk Order(s) that supply the non-compliant Kiosks and Outerwall shall be required to remove the affected Kiosks within ninety (90) days of such notice, without regard to any appeals.

4.8. Policies. Kroger shall use commercially reasonable efforts to comply with all policies, procedures and instructions furnished by Outerwall in connection with a Kiosk Order, provided that Kroger is afforded a reasonable opportunity to review such policies, procedures and instructions. Kroger shall notify Outerwall of any material objections within sixty (60) days of receiving such policies, procedures and instructions or any updates thereto. Outerwall may update the policies, procedures and instructions from time to time and Kroger will use commercially reasonable efforts to comply with the updates unless Kroger provides Outerwall with notice of any material objections to the changes within sixty (60) days of receiving such updated policies, procedures or instructions. Without limiting the generality of the foregoing, Kroger shall: (a) comply with all fraud reduction, verification and reconciliation policies; (b) comply with all applicable laws and policies related to payment to customers as a result of Kiosk transactions; and (c) not assess any charge or fee to customers for any Kiosk transaction. For those Kiosks which pose a risk of fraud, the fraud allocation between the parties may be addressed in the applicable Kiosk Order.

4.9. Program Evaluation. For each outstanding Kiosk Order, Kroger and Outerwall will meet periodically in order to discuss the performance of Kiosks under each outstanding Kiosk Order (each a "Joint Business Performance Review"). The parties will use each Joint Business Performance Review to share information, identify and resolve areas of concern, evaluate performance based on any agreed upon key performance indicators and address other issues that may be agreed upon by the parties. Unless otherwise agreed by the parties: (a) Joint Business Performance Reviews will be held for each Kiosk Order at least three (3) times per year on dates reasonably agreed upon by the parties; (b) Kroger and Outerwall will each assign appropriate subject matter experts to facilitate each Joint Business Performance Review; and (c) Outerwall shall provide to Kroger monthly Kroger revenue, Kroger commission and agreed upon key performance indicator reports for all Kiosks. Outerwall acknowledges and agrees that the Joint Business Performance Reviews are to be held with Kroger's corporate business owners. Outerwall will furnish Kroger with Outerwall's presentation templates for approval prior to any such Joint Business Performance Reviews; provided Kroger promptly reviews the template(s) and notifies Outerwall whether it is acceptable. Outerwall can only share information related to day-to-day performance reports that impact the Kiosks governed by executed Kiosk Orders with Kroger divisions; all other information (e.g., proposed changes to kiosk functionality, new kiosk concepts, etc.) must be presented to Kroger's corporate business owners (e.g., Category Manager) and not with Kroger divisions.

4.10 Service Level Agreements. Any service level agreements applicable to a particular Kiosk shall be set forth in the applicable Kiosk Order.

5. Payment.

5.1. Payments Owing Under a Kiosk Order. Each party will pay to the other the fees, reimbursements and other amounts in accordance with the terms set forth in the applicable Kiosk Order. Unless otherwise agreed by the parties, all payments will be made in U.S. dollars and the party remitting payment will be responsible for payment of any wire transfer fees. The terms associated with any float for payments due to Kroger under this Master Agreement will be set forth in the applicable Kiosk Order.

5.2. Taxes. The amounts paid by Outerwall under this Master Agreement or any Kiosk Order include all taxes, fees, surcharges, assessments, and other amounts assessable by any government authority on the Kiosks provided under this Master Agreement or any Kiosk Order, including any sales, use, gross receipts, or value-added tax. Outerwall will have no liability to separately reimburse Kroger for any gross receipts, business and occupation, sales and use, value-added, or similar tax imposed on Kroger's business, income, or receipts for any amount paid to Kroger by Outerwall as a result of this Master Agreement or any applicable Kiosk Order, or any Kiosk transactions. Outerwall and Kroger will reasonably cooperate to minimize any tax liability associated with this Master Agreement or any Kiosk Order, to the extent legally permissible. The portion of total payments relating to granting a right to install and operate Kiosks (i.e., license to use real property) shall not exceed \$150 per Kiosk per month. The purpose of this provision is to separately calculate the amount of total payments that relate to the right to install and operate Kiosks (i.e., rights to use real property). Payments in excess of the foregoing amount represents the value of Kroger's other responsibilities and obligations under this Agreement.

6. Records and Audit. Outerwall will, at all times during the Term of this Master Agreement and any applicable Kiosk Order and for a period of two (2) years thereafter, keep accurate books and records at its place of business with regard to the payments owed Kroger under Section 5 of this Master Agreement and any applicable Kiosk Order. Kroger, or its duly authorized representative, will have the right, during the Term and for two (2) years thereafter, to audit such books and records not more than once each calendar year. Any such audit will be permitted only during business hours upon at least thirty (30) days' prior written request to Outerwall. If the audit reveals an overpayment by Outerwall, no later than thirty (30) days following the discovery of the overpayment, Kroger will reimburse Outerwall the amount that is owed. If an audit reveals an underpayment, Outerwall, no later than thirty (30) days following the discovery of the underpayment, pay Kroger the amount that is owed, plus interest at a rate equal to the prime rate published in the Wall Street Journal, plus 200 basis points per annum. If the audit reveals that Outerwall has underpaid Kroger an amount that is \$250,000 or more of the total amount due Kroger for the audited period, Outerwall, in addition to correcting the underpayment as required in this Section 6, will reimburse Kroger for the reasonable and documented costs of the audit.

7. Proprietary Rights.

7.1. Trademark Licenses.

7.1.1. Outerwall Marks. Subject to Kroger's compliance with this Master Agreement, including this Section 7.1.1, Outerwall hereby grants to Kroger a limited, non-exclusive, royalty-free license to use during the Term the Outerwall Marks for the purpose of promoting the Kiosks installed in Stores. Kroger will obtain the prior written approval of Outerwall before any use of the Outerwall Marks and shall not use the Outerwall Marks for any other purpose without Outerwall's prior written approval. Further, Kroger will use the Outerwall Marks only in accordance with usage and other guidelines as may be provided by Outerwall to Kroger from time to time. Outerwall represents and warrants to Kroger that the Outerwall Marks do not infringe any trademark or other intellectual property right of any third party.

7.1.2. Kroger Marks. Subject to Outerwall's compliance with this Master Agreement, including this Section 7.1.2, Kroger hereby grants to Outerwall a limited, non-exclusive, royalty-free license to use during the Term the Kroger Marks for the purpose of promoting the Kiosks installed in Stores. Outerwall will obtain the prior written approval of Kroger before any use of the Kroger Marks and shall not use the Kroger Marks for any other purpose. Further, Outerwall will use the Kroger Marks only in accordance with usage and other guidelines as may be provided by Kroger to Outerwall from time to time. Kroger represents and warrants that the Kroger Marks do not infringe any trademark or other intellectual property right of any third party.

7.2. Limited Use of Marks. Notwithstanding anything in this Master Agreement to the contrary, Outerwall may use the Kroger Marks and Kroger name in an Outerwall location-finding application or website or in connection with a presentation made to investors or analysts (e.g., to indicate Kroger is a customer); provided any such use is consistent with any brand guidelines and other instructions furnished by Kroger, and subject in each case to Kroger's prior written approval. Further, unless otherwise agreed in a Kiosk Order Kroger may maintain on its corporate website a description of the availability of each Kiosk available at Kroger's Stores.

7.3. Reservation of Rights by Outerwall. Except for any licenses granted to Kroger under this Master Agreement and any Kiosk Order, as between the parties: (a) Outerwall reserves all right, title, and interest in and to the Kiosks, the Outerwall Marks, and any Outerwall Confidential Information, including, without limitation, all Intellectual Property Rights in each of the foregoing; and (b) title to the Kiosks and all coins, currency, cards and other property within a Kiosk remains with Outerwall.

7.4. Reservation of Rights by Kroger. Except for any licenses granted to Outerwall under this Master Agreement or under any Kiosk Order, Kroger reserves all right, title, and interest in and to the Stores, the Kroger Marks, and any Kroger Confidential Information, including, without limitation, all Intellectual Property Rights in each of the foregoing.

8. Confidentiality

8.1. Confidentiality Obligation. Each party that receives any Confidential Information of the other party will, during the Term and for a five-year period following the termination or expiration of the last to terminate or expire among this Master Agreement and any Kiosk Order, maintain in strict confidence and not use or disclose to any third party such Confidential Information, except as specifically provided herein or as otherwise authorized in writing by the disclosing party. Each party agrees not to disclose Confidential Information, except to those of its officers, employees or representatives who have a need to know the information in the performance of their responsibilities to the other party, each of whom will be subject to an obligation to maintain the confidentiality of such information. Notwithstanding the foregoing, Confidential Information may be disclosed by a receiving party: (a) if such disclosure is required by law, regulatory requirements, court order or legal process, or as may be necessary to financial or legal advisors, provided the receiving party gives the other party notice of the request and cooperates with the receiving party in obtaining a limiting order or other confidential treatment; or (b) to investors or potential investors or acquirers, subject to the execution of a nondisclosure agreement consistent with the terms at least as protective as those set forth in this Section 8. Further, Kroger may share the total volume of coins processed by Kiosks in Stores under this Agreement, or the number of transactions processed by Kiosks in Stores under this Agreement with third parties in order to assess whether such third party can serve as an alternative service provider for Kroger (e.g., to provide services to replace Kiosks that have been removed from Stores), provided that such information is furnished subject to confidentiality restrictions at least as protective as those in this Agreement and provided further that such information can only be shared in aggregate form (and not at the individual Store level).

8.2. Return or Destruction of Confidential Information. Within thirty (30) calendar days after the termination or expiration of the last to terminate or expire among this Master Agreement or any outstanding Kiosk Order, or upon written request by the disclosing party at any time and for any reason, the receiving party will: (a) promptly return to the disclosing party any Confidential Information of the disclosing party in its possession in the then current existing format, along with all copies of the Confidential Information; or (b) at the election of the disclosing party, erase or destroy all Confidential Information of the disclosing party in the possession of the receiving party and provide the disclosing party written certification thereof.

8.3. Public Disclosures. Notwithstanding anything to the contrary in Section 8.1 or 13.2, a party may make any filing or other communication concerning this Master Agreement, any Kiosk Order or the relationship of the parties that such party reasonably believes may be required by applicable law, stock exchange rule or any governmental authority, without the other party's prior consent.

8.4. Cooperation in the Event of Disclosure. Each party will promptly notify the other party upon discovery of any unauthorized use or disclosure of Confidential Information, and will help the other party regain possession of the Confidential Information and prevent further unauthorized use or disclosure.

9. Indemnification

9.1. Indemnification. Each party will indemnify, defend, and hold harmless the other party, and its subsidiaries, affiliates, directors, officers, employees, agents, successors and assigns, from and against any third-party claims, damages and costs (including reasonable attorneys' fees) ("Claim(s)") arising out of: (a) any material breach by such party of any of its representations, warranties, or covenants made under this Master Agreement or any Kiosk Order; (b) damages to property or injuries to persons caused by or resulting from the negligence or intentional misconduct by such party or its employees, agents, or representatives in the course of performing its obligations under this Master Agreement or any Kiosk Order; (c) any violation by such party, or its employees, agents, or representatives, of any law, ordinance, regulation, statute, court order, or rule applicable to the performance of its obligations under this Master Agreement or any Kiosk Order; or (d) the proper use by such party of the Outerwall Marks or Kroger Marks, as applicable, in the manner permitted under this Master Agreement and as authorized under any Kiosk Order entered into under this Master Agreement. In addition: (x) Outerwall will indemnify, defend, and hold harmless Kroger from and against any Claim for infringement of any third party's U.S. Intellectual Property Right by any Kiosk (or its content) installed in a Store under this Master Agreement and any Kiosk Order; and (y) Kroger will indemnify, defend, and hold harmless Outerwall from and against any Claim from any landlord or property manager arising out of Outerwall's operation of a Kiosk in a Store in accordance with this Master Agreement. Further, Outerwall will indemnify, defend, and hold harmless Kroger from and against all Claims asserted against Kroger or incurred by Kroger, arising out of or in connection with (i) the content or operation of the Kiosks, or (ii) the loss or misuse of data collected by Kiosks installed at Stores.

9.2. Indemnification Process. Each party seeking indemnification under this Master Agreement will give the indemnifying party prompt notice of any Claim and will cooperate with the indemnifying party in the defense of such Claim, at no out-of-pocket cost to the indemnified party. The indemnifying party will have the right to assume the defense (at its own expense) of any such Claim through counsel of its own choosing by notifying the indemnified party within thirty (30) calendar days of the receipt of notice from the indemnified party of such claim. The indemnified party will have the right to participate in the defense thereof and to employ counsel, at its own expense. The indemnified party will not, without the prior written consent of the indemnifying party (which consent will not be unreasonably withheld or delayed), agree to any settlement, compromise or discharge of such Claim.

9.3 Worker's Compensation Claims. As to any Claim against Kroger subject to Section 9.1, Outerwall expressly agrees not to assert any right to any insulation from liability or immunity from suit under any applicable worker's compensation statute or similar law or judicial decision against Kroger in a manner that limits Outerwall's obligations to Kroger under Section 9.1. It is further agreed and affirmed that Outerwall will hold harmless Kroger from and against any Claims made by any of Outerwall's employees working in the course and scope of their employment by Outerwall while at any Store unless such Claims was the result of the sole negligence and/or willful misconduct of Kroger. Further, Kroger will be held harmless from any worker's compensation liens incurred from Outerwall's insurance carrier, third party administrator or self-administered, self-insured Claims program(s). The indemnification obligations to Kroger set forth in this Section 9.3 will not limit Outerwall's indemnification obligations to Kroger under Section 9.1.

10. Term and Termination.

10.1. Term. This Master Agreement commences on the Effective Date and, except as provided in Sections 10.5 and 10.6, and unless terminated earlier by either party in accordance with Sections 10.2, 10.3 or 10.4, will continue until 11:59PM Central Time on September 30, 2020 (the "*Initial Term*") or for the last to expire Kiosk Order Term, whichever is later. Thereafter, this Master Agreement will automatically renew for successive three (3) month periods (each, a "*Renewal Term*") unless either party provides written notice of non-renewal to the other party at least thirty (30) days prior to the end of the then current term (the Initial Term, together with any Renewal Term, is, the "*Term*"). For the avoidance of doubt, the term of a Kiosk Order may be shorter in duration than the Term of this Master Agreement.

10.2. Termination for Breach. Either party may terminate a Kiosk Order or the Master Agreement incorporated into that Kiosk Order for a material breach by the other party of that Kiosk Order, or the Master Agreement incorporated into that particular Kiosk Order, if the non-breaching party provides written notice to the breaching party of the breach and the breaching party does not cure the breach within thirty (30) days of receipt of notice. Termination of a particular Kiosk Order for breach will only terminate the Kiosk Order giving rise to the breach.

10.3. Termination for Bankruptcy or Insolvency. Either party may terminate this Master Agreement on written notice to the other in the event: (a) the other party ceases doing business as a going concern; (b) the other party makes an assignment for the benefit of such other party's creditors; (c) a trustee or receiver is appointed to take possession of all or substantially all of such other party's assets (unless such possession is returned to such other party within thirty (30) days after such appointment); (d) the attachment, execution or other judicial seizure of all or substantially all such other party's assets (unless the same is released within thirty (30) days); or (e) such other party dissolves or liquidates, is dissolved or liquidated, or adopts any plan of dissolution or liquidation, where such other party does not continue as a viable business in altered form.

10.4. Termination for Store Closings. With regard to any Kiosk Order, if Kroger sells, closes or otherwise disposes of more than a net of thirty-three percent (33%) of Stores with Kiosks installed as of the effective date of such Kiosk Order, then Outerwall may terminate the applicable Kiosk Order by providing at least thirty (30) days' prior written notice to Kroger.

10.5. Effect of Termination. Except as may otherwise be provided for in any Kiosk Order, following termination of a Kiosk Order, the parties will cooperate to efficiently and orderly wind down their operations under the affected Kiosk Order. Without limiting the generality of the foregoing: (a) any affected Kiosks will be promptly removed by Outerwall from the applicable Stores; (b) all amounts owing under the terminated Kiosk Order(s) will be paid in accordance with the applicable terms; (c) the parties will comply with the terms of Section 8.2; and (d) the parties will comply with any termination requirements set forth in the applicable Kiosk Order. For the avoidance of doubt, notwithstanding the termination or expiration of this Master Agreement, the Master Agreement in effect immediately prior to such termination or expiration will continue to apply to any outstanding Kiosk Order until the termination or expiration of such Kiosk Order in accordance with its terms. Any references herein to the termination or expiration of this Master Agreement refer only to the termination or expiration of the Master Agreement with the concurrent termination or expiration of the associated Kiosk Order.

10.6. Survivability. Subject to Section 10.6, following termination or expiration of this Master Agreement, for whatever reason, Sections 5, 6, 7.3, 7.4, 8, 9, 10.5, 10.6, 12 and 13 will survive; provided however that Sections 6 and 8 will survive only for the durations set forth in such sections.

11. Insurance. Outerwall will place and maintain in effect at all times during the Term of this Master Agreement and any Kiosk Order, at Outerwall's cost and expense, insurance coverage of the types and in such amounts as described in Exhibit B with a company that has an A.M. Best rating of "A-" or better. Outerwall may comply with the required "per occurrence" limit through a combination of Primary and Excess Liability insurance policies. The Insurance must be primary and not excess or contributing with any insurance or self-insurance maintained by Kroger. Outerwall will deliver to Kroger, within thirty (30) days following the Effective Date, a Certificate of Insurance including "The Kroger Co. and Kroger's Affiliates and Subsidiaries" as Additional Insureds. Such Additional Insured status may be given by either an Additional Insured Endorsement or blanket Additional Insured coverage built into Outerwall's General Liability policy form. The Certificate of Insurance must identify all self-insured retentions to the general liability policy. The Certificate of Insurance must evidence that the stated Insurance will not be cancelled (voluntarily or otherwise) without at least thirty (30) days' advance written notice to Kroger. In the event of cancellation or expiration of said insurance during the period of time insurance coverage is required under this Master Agreement, Outerwall must provide proof of replacement insurance a minimum of thirty (30) days in advance of the effective date of such cancellation or expiration. Kroger will have a right to terminate this Master Agreement for Outerwall's failure to provide such proof of insurance. Outerwall will maintain such other insurance coverages as may be agreed upon in any Kiosk Order.

12. Disclaimer; Limitations of Liability; Warranties.

12.1. Disclaimer of Consequential Damages. EXCEPT FOR ANY LIABILITY FOR THIRD PARTY CLAIMS ARISING UNDER SECTION 9 (INDEMNIFICATION), OR LIABILITY FOR A BREACH OF SECTION 7 (PROPRIETARY RIGHTS) OR SECTION 8 (CONFIDENTIALITY), OR FOR THE INTENTIONALLY WRONGFUL CONDUCT OF A PARTY, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY CONSEQUENTIAL, EXEMPLARY, PUNITIVE, INCIDENTAL, OR INDIRECT DAMAGES OR FOR ANY LOSS OF PROFITS, REVENUE, DATA, BUSINESS, OR USE ARISING OUT OF THIS MASTER AGREEMENT OR ANY KIOSK ORDER, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

12.2. Limitation of Liability. EXCEPT FOR ANY LIABILITY FOR THIRD PARTY CLAIMS ARISING UNDER SECTION 9 (INDEMNIFICATION), OR LIABILITY FOR A BREACH OF SECTION 7 (PROPRIETARY RIGHTS) OR SECTION 8 (CONFIDENTIALITY), FOR AMOUNTS DUE TO A PARTY UNDER SECTION 5 (PAYMENTS), OR FOR THE INTENTIONALLY WRONGFUL CONDUCT OF A PARTY, IN NO EVENT WILL THE AGGREGATE LIABILITY OF EITHER PARTY UNDER THIS MASTER AGREEMENT AND ANY KIOSK ORDER EXCEED AN AMOUNT EQUAL TO THE TOTAL AMOUNT IN FEES PAID UNDER THE APPLICABLE KIOSK ORDER BY OUTERWALL TO KROGER IN THE TWELVE MONTHS PRIOR TO THE EVENT GIVING RISE TO THE LIABILITY.

12.3 Disclaimer. EXCEPT AS OTHERWISE SET FORTH IN THIS MASTER AGREEMENT OR THE APPLICABLE KIOSK ORDER, THE KIOSKS, SERVICES AND OTHER GOODS, SERVICES AND INFORMATION FURNISHED UNDER THIS MASTER AGREEMENT AND ANY KIOSK ORDER ARE INSTALLED, OPERATED AND PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY IMPLIED WARRANTY.

13. Miscellaneous

13.1. Injunctive Relief. Notwithstanding any other provisions of this Master Agreement, a party's breach or threatened breach of Sections 7 or 8 of this Master Agreement may cause the other party irreparable damage for which recovery of money damages would be inadequate and that the non-breaching party may therefore obtain, in addition to any and all other remedies available at law or in equity, injunctive relief without the posting of a bond or other security.

13.2. Publicity. Subject to Section 8, neither party may make any press release or other public communication regarding the existence of this Master Agreement, or the relationship of the parties, without the other party's consent.

13.3. Excused Performance. Neither party will be liable for, or be in breach of or default under this Master Agreement on account of, any delay or failure to perform as required by this Master Agreement as a result of circumstances or events beyond such party's reasonable control including without limitation acts of God, war, earthquakes, floods, or the acts of a governmental authority, provided that this provision does not excuse Outerwall from its obligations to pay Krager all amounts when due under this Master Agreement in accordance with its terms. A party's performance will be excused during the pendency of such event, but that party shall take all reasonable steps to effect prompt resolution of its obligations under this Master Agreement in full or in part.

13.4. Assignment.

13.4.1 Neither party may assign this Master Agreement in-whole or in-part (whether by operation of contract, law or otherwise) without the prior written consent of the other party, which consent will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, either party may assign this Agreement to an Affiliate by providing notice to the other party. Any attempted assignment in violation of this section will be void. Subject to the foregoing restrictions on assignment, this Master Agreement will be fully binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns.

13.4.2 If, after the Effective Date of this Master Agreement Kroger purchases, acquires or otherwise obtains a third party, or a right to operate, in-whole or in-part, a third party's retail establishments, and such third party has an existing agreement with Outerwall for the operation of kiosks, terms applicable to the treatment of such existing agreement(s) in relation to this Master Agreement will be addressed in the applicable Kiosk Order. If the Kiosk Order is silent with respect to treatment of such existing agreement(s) in relation to this Master Agreement, the parties agree to negotiate in good faith the terms applicable to such kiosks.

13.5. Notice. Any notice or other communication under this Master Agreement given by one party to the other will be deemed properly made if given in writing and delivered in person, sent via nationally recognized overnight courier or registered U.S. mail, properly addressed with the required postage, to the attention of the intended recipient at the address on the signature page of this Master Agreement and to the attention of the person signing this Master Agreement. Notices will be deemed received: (a) if by personal delivery, when delivered; (b) if by overnight courier, one (1) day after deposit with an overnight courier service; or (c) if by U.S. mail, three (3) days after deposit in the U.S. Postal Service. Either party may change its address or addressee for notices by giving the other party notice of the change in accordance with this Section 13.5

13.6. Subcontracting. Outerwall may subcontract certain of its obligations under this Master Agreement; however, Outerwall will remain responsible to Kroger for any and all subcontracted services. If Kroger reasonably requests Outerwall to discontinue the use of a particular subcontractor or subcontractor personnel, Outerwall shall reasonably cooperate with Kroger to identify and implement a replacement subcontractor satisfactory to Kroger; provided, however that if a suitable replacement subcontractor cannot be agreed upon, Outerwall may remove the impacted Kiosks(s) or discontinue the affected service by providing reasonable prior notice to Kroger.

13.7. Waiver and Amendment. No amendment, change, waiver or discharge of this Master Agreement is valid unless it is set forth in writing and signed by an authorized representative of the party against whom the amendment, change, waiver or discharge is sought to be enforced.

13.8. Attorneys' Fees. In any action, litigation, arbitration or other proceeding between the parties arising out of or in relation to this Master Agreement, the prevailing party in such action will be awarded, in addition to any damages, injunctions or other relief, and without regard to whether or not such matter be prosecuted to final judgment, such party's costs and expenses, including but not limited to taxable costs and reasonable attorneys', accountants' and experts' fees and costs.

13.9. Independent Contractor. Nothing in this Master Agreement will be construed as creating a partnership, joint venture or agency relationship between the parties. Neither party will have the authority to obligate the other party in any manner whatsoever and will not represent or hold itself out to have such authority.

13.10. Governing Law. This Master Agreement will be construed in accordance with and will be governed by the laws of the State of Ohio, without regard to its conflicts of laws principles.

13.12. Dispute Resolution. When bringing an action to enforce this Master Agreement, the parties agree that the exclusive jurisdiction shall be the state or federal court located in Hamilton County, Ohio.

13.13 Jury Waiver. Each party knowingly, voluntarily, and intentionally waives the right it may have to a trial by jury in respect of any litigation based upon this Master Agreement, or arising out of, under or in connection with this Master Agreement, or any course of dealing, statements, whether verbal or written, or action of or by a third party or any of their respective affiliates to the fullest extent permitted by law.

13.14 Section Headings. Section headings are for convenience only and may not be construed as part of this Master Agreement or any Kiosk Order or as a limitation on the scope of the particular sections.

13.15. Counterparts. This Master Agreement may be executed in one or more counterparts (including PDF or facsimile), each of which will be deemed an original, and which together constitute one and the same instrument. Any Kiosk Order may be executed in one or more counterparts, which may be delivered by facsimile, .pdf or other reliable form of electronic reproduction, and, when combined with this Master Agreement as provided for in Section 2.1 will constitute a single agreement.

13.16. Severability. The invalidity or unenforceability of any term or provision of this Master Agreement or any Kiosk Order does not affect the validity or enforceability of the remainder of any such terms or any other application of any term or provision of this Master Agreement or any Kiosk Order.

13.17. Entire Agreement. This Master Agreement, together with each applicable Kiosk Order and their respective exhibits, constitutes the entire agreement with regard to the subject matter herein. Nothing in this Master Agreement amends, terminates or supplements any other agreements between the parties or their Affiliates.
